**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I just want to let you remind that you work us, not the corporations. Your actions in the last 2 years have said plenty otherwise. Seriously, before your "behind"s are kicked out, grow a pair and do something right for once. Do EVERYTHING to provide more competition to the biggest communication companies. If you don't do this, there's plenty of lawyers who are ready to talk to you. What you have done over last 2 years says yes to price hikes, less competition and less innovation in the name of bigger profit. After a lifetime of being somebody's bully pulpit for someone else, grow a pair and help the people who do the real innovation. I know this would most likely fall on deaf ears, but as I said, with time everything changes. So before someone comes and un-does everything you morons did so far, please, grow a pair and do what's right for once!
